Parent Registration Agreement

Because the Religious Education of my child(ren) is a partnership of parents, parish, and catechist, I acknowledge that active participation in my parish by regular Mass attendance is a necessity.

Initials _____ To which Mass does your family come to? _____

Because the Parish is catechizing my child(ren)'s education with significant support, and because the parish is happy to be able to support me as a parent in this way, it is understood that I, too, will be an active, participating and supportive parishioner. I realize that failure to do this will jeopardize the preparation for my child(ren). I accept this responsibility and will live my faith in this committed way. My signature indicates my willingness to do this.
